Date: 26/02/2024

TO WHOM IT MAY CONCERN

This is for your kind information that Dr. Mohammed Arafat Hossain Rubayet, Govt. Code no: 114193 has been working as an Assistant Professor, Dept. of Critical Care Medicine, NICRH, Mohakhali, Dhaka.

As he is a government physician, he has to take permission from his Institute followed by DGHS (Medical education) and MOHFW, GOB regarding Ex-Bangladesh leave and joining in MPH Extension course in Wollongong University, Australia.

As a new authority has been established in our country following National Election'2024, he needs a period of 10-12 weeks duration more for administrative procedure and Government order(GO).

Considering above circumstances, I hope your authority will permit him to join in next session and for which I will be grateful to you.

Thanks & Regards

Dr Md. Asaduzzaman
Associate Professor and Head
Dept. of Critical Care Medicine
NICRH, Mohakhali, Dhaka.
