

To,

Admission Team,

University of Wollongong, Australia

Dear Team,

I Mohammed Arafat Hossain Rubayet (Student No. 7730561 CRM:0341000992) requesting a new Offer Letter / eCoE for July 2024 Intake.

I have received my CoE for February 2024 Intake and already received my visa. Due to Personal and professional urgencies, I am unable to join the February 2024 intake and wants to join the July 2024 intake.

Please note, earlier my mother was admitted to the hospital and was discharged recently. Besides, I am working as an Assistant Professor, at the Dept. of Critical Care Medicine, NICRH, Mohakhali, Dhaka. As a govt. physician, I need to get permission from my Institute followed by DGHS (Medical education) and MOHFW, GOB regarding Ex-Bangladesh leave and joining in MPH program at the University of Wollongong.

Attached COE, Visa Grant Letter, Mother's Discharge Certificate, Letter from the Employer are for your reference.

Please assist me with a deferred COE / new offer letter so that I can sign the offer letter and request a COE for the July 2024 intake.

I am also requesting to keep cc [nicrh@hospi.dghs.gov.bd](mailto:nicrh@hospi.dghs.gov.bd) (DGHS) and [haquenizamuldr@gmail.com](mailto:haquenizamuldr@gmail.com) (Director) in my deferred/new offer letter/ eCoE which will help me to get clearance faster from my Institute followed by DGHS (Medical education) and MOHFW, GOB.

Requesting your earliest intervention in this regard.

Thank you. Regards,

Dr. Mohammed Arafat Hossain Rubayet
